Gallery Walk: Comic Reviews

Directions: You are reporting on the new display of geology comics. You have to choose three comics and fill out the reviews below.

Review #1

What is the comic about? _____

Who is the author? _____

Why did you select this comic?

What is something they did really well in the comic?

What skill is this comic very strong in and **why** (Precision, Modeling, Making Connections, or Narrative)?

Why is this comic a good tool to teach someone about geology?

Review #2
