

Insert your comic model of *deposition* (when tiny bits of rocks are moved to a new place).
You can use [this video](#) to see deposition happen (4:19 - 5:19 in the video).

Directions to submit assignment:

1. Click "Insert"
2. Select "Image"
3. "Take a Snapshot"
4. Take a picture of your comic. Make sure you can see the ENTIRE comic in the picture (get as close as possible so we can see details)
5. Click "select"
6. A picture of your comic should now be on this document.
