

Presentation Card

- use this card to help you share your geology comic with your group!

1. What is your comic about?
2. Why did you choose the geological process?
3. Why did you choose to use this idea and not your other rough draft?
4. Where did you find the photo that was the inspiration for this comic?
5. On what skill (modeling, narration, making connections & inferences, or precision) do you feel you did the best and why?
6. What was your favorite part about making this comic?
7. What was the hardest part about making your comic?
8. Read your comic to your group!
