

Seminar Presentation Question Template

For each presentation, write two questions that you can ask the presenters.
If you are able to ask one of your questions, comment on the response.

Presenters Name(s):	Seminar Topic:
Question 1:	
Question 2:	
What was the response to your question? Are you satisfied with the response? Why or why not?	
What evidence from this presentation might you be able to use to answer your own inquiry question?
